CORPORATE IMAGE, BESPOKE DESIGN & OWN LABEL

A Uniform with a Company Name or Logo provides a unique opportunity to an organization to promote its identity to its target market. At Armstrong, we can help you in creating this unique identity for your work force, whether it is simple logo embroidery or a complete design made entirely to a customer specification. So if you have a requirement that's a bit more than a standard garment please do not hesitate to get in touch with your Regional Manager or the Armstrong Offices.
